

## CHANGE THE WORLD WITH ONE GREAT IDEA

UP TO \$25,000  
TO TURN YOUR IDEA INTO REALITY!

### DBS Foundation X NEA Hungry for Change Challenge

DBS Foundation and the National Environment Agency (NEA) have launched the **Hungry for Change Challenge**, a nationwide challenge to empower youth to develop and pilot innovative food waste solutions.

#### Solve towards zero food waste now!

If you have an idea or solution that will prevent and/or reduce food waste in food establishments and/or households, we want to hear from you!

The five most innovative and impactful ideas will be supported for piloting with a total funding of \$125,000 from DBS Foundation! The teams will also have opportunities to consult with NEA and benefit from their expertise.

#### Who can apply?

- **Current Student**  
Full-time or part-time students at Institute of Technical Education, polytechnics or universities
- **Recent Alumni**  
Any person who graduated or took a sabbatical from an institute of higher learning after 1 January 2018.
- **Teams with four members or more**  
At least one of the members must be a current student or recent alumni.
