# PROMOTING THE HARMONISATION OF FOOD REGULATIONS BETWEEN THAILAND & SINGAPORE

## Introduction of Food Regulations in Thailand & Singapore

### ABOUT THE WORKSHOP

As part of a Temasek Foundation-supported initiative to develop a common curriculum for food regulations in the region, Singaporean and Thai institutes and agencies are co-hosting a series of seminars to promote the standardisation of food laws between the two countries. In the opening workshop, hear from Singaporean and Thai officials and experts as they introduce food legislation in their respective countries and discuss the challenges and opportunities in food trade between the two nations.
