# CHS-FOS

## OPEN HOUSE 2024 & FOS 95<sup>TH</sup> ANNIVERSARY ALUMNI HOMECOMING

**18 May, Saturday**

**Sign up at [bit.ly/NUSFOS](https://bit.ly/NUSFOS)**

Join us as we bring you a one-off programme that combines our popular Open House offerings with a specially curated FoS Homecoming programme where we celebrate our 95th Anniversary with our alumni!

### Masterclasses and Talks on Popular Science Topics

Meet our award-winning Professors who will bring to life the fascinating world of science, its wonders and its relevance in our daily lives.

### Homecoming Tours (For alumni only)

Join us for a walk down memory lane at Bukit Timah and Kent Ridge campuses, specially hosted by our faculty and students.

### Innovation Hub

Immerse in the wonders of science research and innovation through interactive displays presented by our scientists, alumni and students.

### Facility and Laboratory Tours and Workshops

Join guided walking tours to our key facilities, including the new Medicine-Science Library. Participate in workshops to witness visually impactful science demonstrations or navigate the night skies in our Planetarium. You can even join us and Plant a Tree as part of our reforestation efforts at the Rail Corridor!

### Student Life

Meet our student leaders who will share about dynamic campus life, as well as our student panellists who will talk about their interdisciplinary and experiential learning journey under the College of Humanities and Sciences (CHS).

### Carnival and Performances

Witness science in action!

Try your hand at crime scene investigation and analysis using forensic techniques, and more! Catch performances from our student groups!
