[BIT.LY/FOS-HOMECOMING](https://bit.ly/FOS-HOMECOMING)

Carnival booths

Witness science in action! Try your hand at crime scene investigation and analysis using forensic techniques, and many more!

120

Alumni will receive a pair of complimentary admission tickets to the Lee Kong Chian Natural History Museum
(On-site collection only, first come first served)

* Terms and conditions apply

Performances

Catch live performances from our student groups.

Workshops

Curious about how machine learning is transforming scientific discovery? Fascinated by the art of coffee and tea appreciation? Join our specially curated workshops to dive deeper into these exciting topics!

Heritage tours

Join us on a guided walkabout around the Faculty of Science to revisit your old haunts and find out what's new!

Alumni networking lunch

This is a perfect opportunity to reconnect with old friends and teachers, meet new friends and expand your professional network. Join us for an afternoon of good food and company!

In conjunction with the College of Humanities and Sciences Open House on the same day!

Join us for masterclasses by award-winning professors, guided tours of our facilities and laboratories and student panels where you will hear from our student leaders on academic and student life at the Faculty of Science.
